FIFTEEN CENTS

Youngs Ask Again for Rezoning

The village board Monday night was asked once again to reconsider the rezoning of the Harold Young property on North Main St.

The Youngs want their property rezoned from single family to multiple family use. They have four acres just north of the village park.

Mr. Young said it would be an ideal spot for the village to continue its park development. An alternative, he said, would be the construction of apartment buildings.

The Youngs' petition to rezone the property was defeated 3-2-1 at the June 17 village board meeting.

Village Attorney Frank Rhode said Monday night that the Youngs will have to go through the entire petitioning process again if they hope to have their land rezoned.

AN ANTIOCH COUPLE, Lee and Gert Ipsen, brought to the village board their plans to operate a dry cleaning store at 520 Lake St. They said they are waiting for approval from the state fire marshal.

PARKING PROBLEMS near St. Peter's parish will be alleviated by new signs okayed by the village board Monday night.

"Stop, Do Not Enter," signs will be placed on Henry St. at Lake St. "No Parking Between Signs" signs will be placed on Henry St. And on the west side of St. Peter's St., at Lake St., there will be a "No Parking, Loading Zone" sign for people getting out of cars to come to church.

Village police will enforce the signs, Trustee Mike Haley said.

TRUSTEE MARGE Nelson reported on the caterpillar problem which is threatening trees in the village.

She said they come into town on mobile homes and other vehicles. The best way to solve the problem is to spray by helicopter and the village is seeking a price on such a

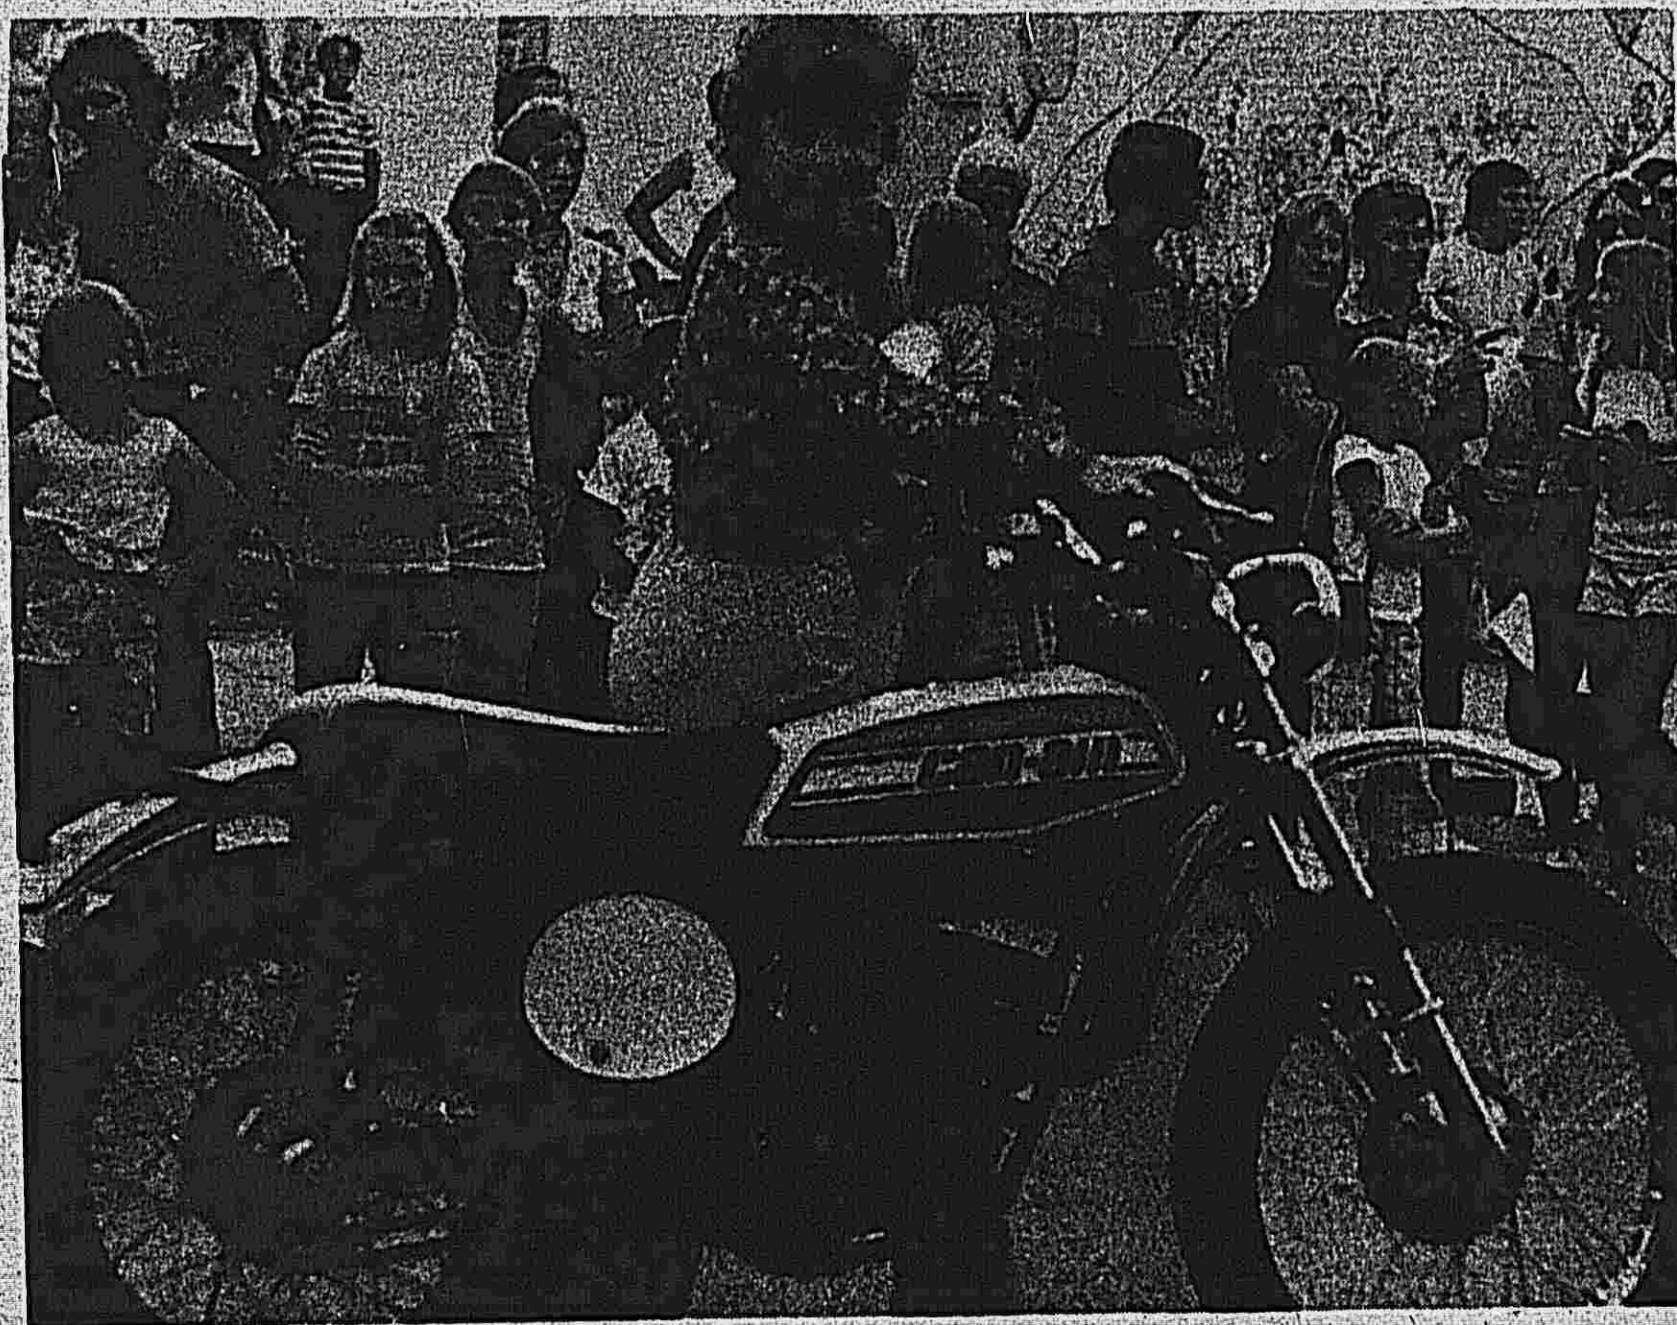

project.

In the meantime, Mrs. Nelson said that anyone concerned can go to a garden supply store and ask for advice about products that can be sprayed on their trees.

Mayor Bob Wilton jokingly suggested that a possibility might be to use Village Clerk Marilyn Sterbenz' new airplane when it arrives. (She won it on a recent television show in Las Vegas.)

LOTS OF CLOWNING AROUND -- That was the theme of Midnight Madness Monday night. Also, lots of shoppers poured into downtown Antioch to take advantage of the late-night bargains.

VILLAGE CLERK MARILYN STERBENZ displayed her new motorcycle in the Midnight Madness parade. She won it recently in Las Vegas on the TV show, "Dealer's Choice," and it arrived Monday. Her new car arrived last week but Marilyn is still waiting for her airplane.

Midnight Madness Winners

Following are the winners of the bicycle and pajama contests held Monday, August 19th in connection with Monday night's Midnight Madness:

Bicycle Contest:

1st Prize, Figure Ice Skates - Jeff Schleusener and Joel Wilson; 2nd Prize, \$15.00 - Regine Metz; 3rd Prize, \$10.00 - Tina Dahlberg; 4th Prize, \$5.00 - Julie Andre.

Pajama Contest:

Jewelry Box (Hahn) - No. 8 Michelle and Debbie Morris.

Gift Certificates:

Gibbs & Jensen Carousel - No. 19 Phyllis Mazielski and Carolyn Marsalik; The Shoe Box - No. 2 Evelyn Juergens and Charmaine Bywell; B-J's Fashions For Men - No. 1 Jay Sven; Stanley's Men's Fashions - No. 21 Jennifer Czapiewski; Barnstable's Dept. Store - No. 10 Janice Long; Globe Dept. Store - No. 5 Laura Dodge; Four Squires - No. 6 Eric Desbiens.

Judges for the Bicycle Contest were Ken Nelson (The Shoe Box), Barbara Corbin (Corbin's Express Travel Agency), and Sam Natale (Household Finance Corp.).

Judges for the Pajama Contest were Anita Lopera (Globe), Lillian Ravel (Slice of Life), and Bill Patterson (B-J's Fashions For Men).

PM&L Ticket Sale Begins

Season tickets are now on sale for PM & L's 14th season. Five shows will be presented during the season, including the December holiday show.

The season opens with a musical, directed by Bob Bundy, "The Roar of the Greasepaint, the Smell of the Crowd" on October 12, 18, 19, 25 and 26.

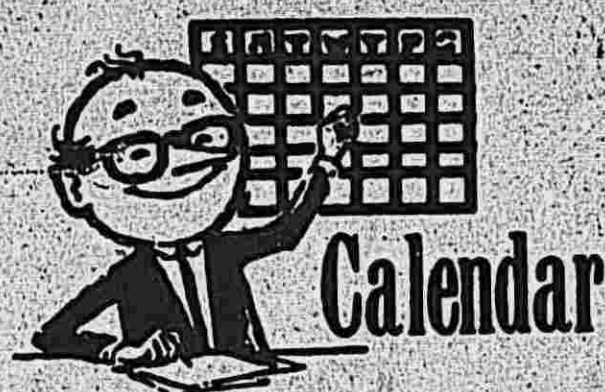

"Micky" will be the Christmas Holiday show for the entire family directed by Lou Jones on Dec. 7, 8, 14 and 15, followed by "The Prisoner of Second Avenue" on Feb. 8, 14, 15, 21 and

WINNERS OF THE PARADE during Midnight Madness Monday night were Joel Wilson (left) and Jeff Schleusener.

Mundelein Chief Enters Sheriff Race

E.J. "Chick" LaMagdeleine, Mundelein Police Chief for the past nine years, was the unanimous choice of the Candidates Committee of the Lake County Democratic Party for the Democratic candidate for Lake County Sheriff. The announcement was made by Ralph Montrimas and James Heldberg, co-chairmen of that committee.

The Candidates committee met at Democratic headquarters in Waukegan Tuesday, Aug. 13. The well-attended

E.J. LaMAGDELEINE

meeting interviewed a total of five prospective candidates including LaMagdeleine, a former Army Master Sergeant, a Zion drug store owner, an auditor and a former Deputy Sheriff.

He will be the Democrats' third announced candidate this political year to run against incumbent Republican Sheriff Orville "Pat" Clavey. Deerfield Police Chief Warren Whitton pulled out in April and former Chief Deputy Sheriff Jerome Schuetz, who switched parties to run, quit the race only three days after he announced his candidacy.

A rough two months of electioneering face LaMagdeleine. "It's going to be a long haul and we're going to have to work hard to get everybody's attention," he said.

LaMagdeleine is a graduate of the FBI Academy as well as of a number of in-service Law Enforcement schools. He was president of the Lake County Chiefs of Police Association in 1971. He has been a member of the Mundelein Police Force for the past 22 years and its chief for the past nine years. He is married and the father of three children.

Mundelein Mayor Maurice Noll commented, "If they want a man with integrity, they've got one. No one's ever questioned LaMagdeleine's integrity."

The recommendations of the Candidates committee will be submitted to the full Central Committee of the Democratic Party (the party's 240 elected and appointed Precinct Committeemen) at a special meeting tonight. The meeting will be held at 8 p.m. in the VFW Hall, Waukegan, and is open to the public.

Grass Lake School Staff Changes

At the Aug. 13 Grass Lake School Board of Education meeting the resignation of Mr. Phil Ill was accepted. Mr. Ill taught one of the fifth grade classes.

The board voted to hire a math teacher for the 7th and 8th grade. Also, a fifth grade teacher. The position for a reading-library combination teacher has been eliminated for the present time.

One bid was received on the installation of lightning rods on the chimney. The board voted against installation at this time.

Mr. William Nauman, the new school treasurer, presented a critique on the treasurer's report. He received consent from the board to invest the school's money with a bank in Antioch.

The board voted to retain Mr. Semple Scott as its insurance agent for the student insurance program.

Mr. Lyle K. Kletze was hired as an interim superintendent for the 1974-75 school year. Mr. William Hart will be completing advanced course work during this time.

Museum Offers Activities

Explore the Indiana dunes. Search for 300-million-year-old fossils in a strip mine. Study the effects of industry upon the ecology of Lake Michigan from a boat.

These are just a few of the activities that Field Museum is offering from September 14 through October 13 in its Ray A. Kroc Environmental Education Program series.

The series is called "Natural and Managed Environments" and focuses on areas in and near Chicago. It includes field trips for families, adults, and teenagers, as well as walks to nearby habitat areas and workshops for fourth through sixth graders, all under the leadership of museum personnel.

Participation is by advance registration only. A \$4 per person fee (non-refundable) covers the cost of the all-day excursions, including transportation and lunch. The young children's walking tours and museum sessions are \$2 each.

For further information and a brochure call Carolyn Blackmon at Field Museum, phone 922-9410, Ext. 361 or 363.

Back in 1890, Wisconsin's football eleven charged on to the gridiron against the Gophers of Minnesota wearing top hats! It was the only formal football game ever fought. Who won? Why, the opposition, of course, 63-0.

COMMENTS...

Residents of the northern suburbs are the most optimistic of all Chicago suburbanites about their personal finances, according to a recent Family Financial Survey.

The survey sampled families' attitudes about their personal finances and general business conditions. It included residents of Lake county.

When asked whether their families were better, the same, or worse financially than a year ago, 39 percent of the northern suburbanites said better, compared with 32 percent of the

The Republican Party in Illinois is rallying around the new President, Gerald Ford. That is the report from County Chairman W.J. Murphy upon his return from the GOP State Convention in Springfield.

"The Republican Party is indeed healthy in Illinois and welcomes the challenge of a hard fight with confidence in new accomplishments and goals for the future," Murphy said.

"The big important issue of

the moment is to aid our new President, Gerald Ford, in his goal of bringing not only unity to the Party but in restoring confidence and unity to the whole country," he added.

Murphy said that "the greatest disaster for America today would be not supplying the new President with enough of his own party to maintain a two-party system. He must

have the tools and the encouragement to meet the challenge ahead."

"I believe inflation and the control of it is by far the biggest problem to be overcome. I believe under President Ford's leadership and with the return of a substantial number of Republicans to aid in the task,

Along the way with ANNIE MAE

Wow, that was some parade. All the kids sure had a good time and most of the grownups, too. Lots of people in their PJs.

Hear tell the Lions Club summer outing was really super. The trip on the riverboat "Belle of the Lake" was delightful, with the weather cooperating all evening. A buffet dinner was served at the Abbey Springs Country Club and then the group returned to the boat for dancing under the stars and colored lights all the way home. All in all it was a very lovely and romantic evening.

The ladies of St. Peter's Altar and Rosary Society did their usual good job with their Salad Bar Luncheon last Saturday afternoon. Over 200 ladies were entertained with a fashion show of hats made by the models. Adult winners of the designing contest were: Suzanne Horton, Eileen McGuire, Ricky Apostol, Eileen Zanninni, Evelyn Freund and Gert Zimmerman.

Children winning prizes were: Jerrie Gutowski, Denise Horton, Cheri Abear, Denise McLean, Mabelle Sporon and Suzanne Fritz. Music for the afternoon was provided by Babe Wagner at the organ. The ladies also helped Father Johnson celebrate his birthday.

Mr. and Mrs. John Carelton Tower are the proud parents of a 3rd son, John Scanlon born on May 21 at their home in Glenview. The Scanlons have six children. Grandparents are

Mrs. Carelton M. Tower of Evanston (former area resident) and Mr. and Mrs. Martin P. Murray.

Mr. and Mrs. Emil Risch of 580 Parkway Ave., Antioch, Ill., will celebrate their 60th wedding anniversary on August 27. They have two children, a daughter, Mrs. Arland (Bernice) Clark of Trevor, Wis., and a son Robert of Wautoma, Wis. They have been blessed with one granddaughter, six grandsons and one great grandson. Mr. Risch will celebrate his 86th birthday August 28. Congratulations you two!

The Arnie Webers and Robert Webers are just back from their vacation at Deerskin Lake, Wis. Lots of fun, good fishing and relaxing in beautiful country made for a pleasant two weeks.

The 13th of August was a very special day for the Ron Cunningham's: their daughter Julie Anne's fourth birthday. A party with 13 of her little friends helping her celebrate made her

one happy little girl.

Celebrating birthdays this week are: Jerry Smouse, Les Zitkus, and Gus Costoff on the 22nd; Willie Kasik on the 23rd; Ernest Glen and L.V. Sittler on the 24th; Phyllis Good on the 26th and Emil Risch who will be 86 years young on the 28th. Happy birthday everybody, sure hope you have a super day!

Lots of anniversary congrats are in order this week also -- Shirley and Ed Crowell and Helen and George Murrie celebrate on the 27th, and Pat and Wayne Polsgrove, Mr. and Mrs. Emil Risch, Janet and Gary Eppers and Lottie and Ed Vejvoda all celebrate on the 27th.

Remember Moms - Next week school starts. Sure hope everybody is registered.

Be sure to stop up at St. Stephen's Lutheran Church Sunday between 3 and 6 p.m. and sample some of their delicious goodies at their Ice Cream Social.

See ya,
Annie Mae

Sewer and Water Bonds Sold

New York, N.Y., Aug. 15, 1974. The Lake County, Illinois \$1 million water and sewer revenue bond issue was sold Tuesday, August 13 with a commitment to guarantee payment of principal and interest by the Municipal Bond Insurance Association.

The annual net interest cost by the winning underwriter, Blyth Eastman Dillon & Co. Incorporated, was 6.896 percent for the bonds. Because of the guarantee the bonds will receive Standard & Poor's highest rating AA.

The bonds are due December 1, 1978 to 1998 and bear interest rates of 6.25 percent to 6.90 percent.

"The two great movers of the human mind are the desire of good, and the fear of evil." Samuel Johnson

MR. & MRS. HERBERT WORST

Golden Anniversary Celebrated

Open house was held at the home of Mr. and Mrs. Herbert Worst on their Golden Anniversary Aug. 3. Attending were relatives and many friends.

Before making their permanent home in Antioch, they lived in Westchester. Mr. Worst

worked for Johnson & Johnson in Chicago for 30 years.

They had a summer cottage here for 45 years and remember when the shopping area was only a block long.

Mrs. Worst makes articles for sale at the Thrift Shop.

Patrick Tower, son of Mr. and Mrs. John C. Tower of Glenview, was awarded a four-year high school scholarship to the North Shore Country Day School, Winnetka. In all, eight North Shore residents were awarded the scholarships, based on academic ability, achievement, creative talent and citizenship.

SCHWEINFURT, Germany — Timothy J. Mertes, 20, son of Mrs. Shirley Graves, 2002 Old Elm Rd., Lindenhurst, was promoted to army private first class while serving with the 39th Field Artillery here.

Pvt. Mertes is an artillery surveyor in Headquarters Battery of the Artillery's 2nd Battalion.

BE WISE: ADVERTISE

VERALYN RANDALL

ENGAGED

Mr. and Mrs. Verl Randall of Cross Lake, Antioch, are pleased to announce the engagement of their daughter, VeraLyn to Mr. Vernon T. Leipzig, Jr. of Kenosha.

The young couple are both graduates of Central High School in Paddock Lake, Wisconsin.

A December wedding at the Antioch United Methodist Church is being planned.

Lifetime Passes

Antioch Community High School is again receiving applications for Senior Citizen Lifetime passes. The pass entitles the holder of the pass to complimentary admission to all activities and programs sponsored by the high school. The practice was begun in 1969 with 117 passes issued to date.

If you are a resident of Antioch Community High School, District 117 and 65 years of age or older, you may obtain a pass. Those interested in applying for the Senior Citizen Lifetime Pass should write or call Antioch Community High School, 1133 South Main Street, Antioch, Illinois 60002, telephone: 395-1421. You may also apply for the pass in person at the General Office of the high school on any regular school day from 8:00 a.m. to 4:00 p.m.

Your Police and the Community

By SUE SEDIVEC
Community Relations Officer

The evidence of the Police Department is seen through the presence of the Police patrolling on the street or in a squad.

Yet, someone is responsible to transmit information to the officers and to assist the public

when they have question or problems that need attention.

This someone is the dispatcher, who plays an integral and most critical role at the Antioch Police Department.

One such "VIP" at our department is Valerie Baczynski, a native of England. She and her husband, Joe, have four

boys, three at home: Raymond, Steven and Paul. One son, Tony is married.

An Irish setter, chameleons, an aquarium and a cockatiel (who thinks that he is a "people") round out the family.

Valerie has been with the Antioch Police for five years but

she previously received training with the answering service for four years, under the direction of its originator, Vivian Maplethorpe.

VALERIE ENJOYS special interests such as reading and knitting. She and her family moved here from Chicago 10 years ago and Valerie states that she would never move back.

As a dispatcher, she feels a personal satisfaction in knowing that she is of help to people who need advice or assistance. As a tip to those calling the police, fire department or rescue squad, Valerie suggests that you "know where you live." Give the name of the street, and the nearest well-known business establishment. This may sound strange in that people should know their location, but when they are upset and excited, it's surprising how confused they can become.

But our dispatcher does a fine job of figuring out where you are if you can answer questions about your immediate area.

A DISPATCHER puts in a very active eight-hour-plus day. She is responsible for answering and channeling information through the police line, fire line and daily for the rescue line.

Happenings around the community

Ice Show

Ron Urbann's International Ice Show Review will appear in Zion to benefit the Zion High School singers.

Bob McCollough, president of the parents committee for the Zion-Benton varsity singers and the Zion park district, said that Urbann's show will be given three times on Labor Day at the Zion Leisure Center ice arena.

The Zion choir is raising funds to go to Europe next year. The Urbann show has many professionals who have performed with Holiday on Ice. The Labor Day shows will be given at 11 a.m., 4:30 p.m. and 6 p.m.

Women of the Moose

The Antioch chapter's Aug. 15 business meeting was called to order by Senior Regent Dorothy Tralewski.

The chapter voted on two candidates and Elizabeth Andersen and Susan Kelly were elected to membership.

Pearl Roach, Elsie Toman, Cheryl Wise and Dorothy Tralewski were in the birthday march. Also, birthday greetings to Jane Kish and Ann Barone.

It was good to see Elsie Toman and Marge Hartman in attendance. These two co-workers were inactive due to illness.

September 5th is the Publicity Committee Chapter Night program. A makeup demonstration is the entertainment for the evening.

Night Rally

The Northern Illinois Sports Car Association will sponsor a T.S.D. Night Rally on Saturday, Aug. 24, at Barnaby's, 3211 Belvidere St., Park City.

Registration will begin at 5 p.m. First car off at 6 p.m. Trophies will be given to the top ten percent finishing and plaques will be given to all entrants.

Registration fees are \$5 for non-members and \$4 for military. A \$1 discount will be given for pre-registration.

For further information and pre-registration call Bob Zradicka at 312-336-6912.

"Spirit of 76"

A meeting of the Lake County Bicentennial Committee "Spirit of 76", will be held on Wed., Aug. 21, at the First National Bank of Libertyville, at 7:30 p.m.

The committee headed by Robert Coulson, was formed to coordinate activities in Lake County commemorating our country's 200th anniversary in 1976.

All interested people are invited to attend this meeting.

Sequoit Auxiliary

The Sequoit Auxiliary held their regular meeting on Aug. 12. The annual hospital pledge of \$47.00 was made by hospital chairman Myra Randall and a donation to the Rescue Squad was made in memory of Roberta Armstrong.

Membership chairman, Ellen Flint reported that 1975 membership cards have been received and are now payable. Dues remain the same \$3.50 a year. Refreshments were served by Ida Wysoglad. The next regular meeting will be Sept. 9th at 8 p.m.

Board Meeting

The regular monthly meeting of the Board of Education of Antioch Community High School, District 117, will be held on Thursday, at 7:30 p.m., in the General Office.

Cub Corn Roast

Cub Pack 192 will hold its Annual Picnic and Corn Roast this coming Sunday, Aug. 25 at the village park adjacent to the swimming pool. Corn and pop will be served by the Cub Pack. All Cubs and their families are encouraged to come and bring a picnic lunch. Festivities will begin at 3:00 p.m. Any boys who are planning to join Cub Scouting are invited to join in.

George Bush to Speak at Republican Gathering

George Bush, chairman of the Republican National Committee, will speak in Lake County. He will headline the 1974 fund-raising dinner of the Lake County Republican Federation on Friday, Sept. 20, at the Holiday Inn, Mundelein.

Mrs. Augustin S. Hart, Jr., federation president, said Bush "has blue ribbon credentials in Republican leadership and will draw a record attendance."

ACHS Band At USO

The Antioch Community High School Concert Band and Chorus, composed of a group of 105 students, will present a concert on the Rantoul USO stage 7 p.m. Friday, August 23. This will be the 5th year the band has ended their 2-week tour with a concert program at the USO. This program will be open to the public.

The 4 busloads of students and leaders will arrive at noon and will be given a guided 3-hour tour of Chanute Air Force Base before their concert. A cookie hour and movie, "The Naked Spur," will be on the evening program following the concert.

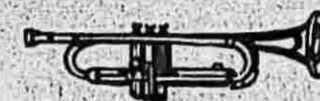

The Rantoul USO serves several thousand Airmen a month, who are stationed at Chanute Air Force Base. The USO is a member of United Way Agency and offers weekly shows; combo dances, with USO Junior Volunteers serving from 8 area towns; homemade cake and cookie hours served by area women's groups. It also has many other programs plus facilities including game room, TV, horseshoe, library, study room, religious area, housing.

In-Service Workshop At ACHS

Approximately 250 teachers and administrators will be attending the Annual Cooperative In-Service Workshop on Monday, August 26, 1974 at Antioch Community High School. Participating schools are: Antioch Community High School, Antioch Elementary School, Emmons Elementary School, Grass Lake Elementary School, Lake Villa Elementary School, Milburn Elementary School.

This year's guest speaker will be Fred B. Lifton, Attorney, partner in firm of Robbins, Schwartz, Nicholas and Lifton.

His topic will be "Teacher Rights and Responsibilities" and will consist of a speech followed by a dialogue with teachers.

Workshop Planned at Emmons

Emmons Grade School will resume the school year with a cooperative workshop for the teachers hosted by the Antioch Community High School, on Monday at 9 a.m.

The first day of pupil attendance will be next Tuesday. Buses will run on the same schedule as the previous year. School hours (8:30 to 2:45)

will also remain the same.

Book fees for the year will be \$12 (K thru 8), and milk will also be \$12 for the year. Hot lunches will begin on Tuesday, Sept. 3. The cost will be .60 cents per day or \$3 per week.

School insurance will once again be offered for \$2.75 for school time coverage. Full time coverage is also available.

Second row from left: Shirley Erbach, Shirley Gutowski, Larry Lass, Rosemary Koch, Sharon Kramer, Gail Fields, Marge Murphy and Elsie Quedenfeld. Third row from left: Jerry Healy, Janet Otterson, Edwyna Ragen, Joe

Gutowski, Lorraine Wilson, Henry Kapell, Roberta Jach, Carolyn Parmer, Jean Halling, Barbara Wlezien and Jim Quedenfeld. Fourth row from left: Tom McGreal, Joe Pechulis (hidden), Max Morris, Jim Holem, Eugene Balmes, Dave Runyard, Frank Slazes, Phil Vos, Ed Halling, Richard Huml, Rod Johnson, Dick Hedberg (hidden), Marge Pahlke, Robert Langosch and Gilbert Vizensky.

Camp Wonderland In 50th Year

The Salvation Army's Camp Wonderland in Camp Lake, Wis., six miles northwest of Antioch, is celebrating its 50th anniversary.

Years ago, the late Will Rogers, with proceeds from his radio program, donated portions of the land that constitutes the 100 acres of the campsite.

Spacious grounds on a beautiful lakefront, picnic areas, ball fields, wooded areas, dining halls and residence halls are now handling the large groups that utilize the camp's facilities.

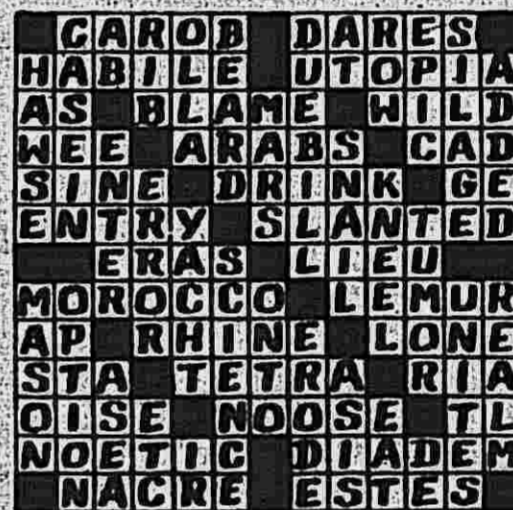

Camp Wonderland is open daily during the season. The camp is divided into three areas: Wonderland Village,

primarily used by Chicago inner-city groups; Shagbark, for Salvation Army Church groups; and an area where 54 motels and conference rooms can be used for seminars and retreats.

The Chicago people attending camp are selected by or

through The Salvation Army Family Service Division. The selection is based on the individual or individuals need for an outing of this type.

"Truth shines the brighter clad in verse." Alexander Pope

70 YEARS AGO: AUGUST 18, 1904

The village streets are being graveled. It was needed very badly. Now if the people would have pride enough to cut the weeds in front of their places it would be an improvement.

Born to Mr. and Mrs. Albert Barnstable on Wed., Aug. 10, a little daughter.

50 YEARS AGO: AUGUST 21, 1924

It is apparent that Antioch wants a lung motor, for many comments have been made favoring the life-saving device, and several lake residents have called up promising donations as soon as the roads are in condition so they may make their offerings.

Work was started this week on the new commercial golf course to be erected on the old Sibley and Hawkins farm on the Fox Lake road at the junction of the Grass Lake road. The club will be known as the Chain O' Lakes Country Club.

20 YEARS AGO: AUGUST 19, 1954

Antioch's Capitol-bound queen, Miss Virginia Runge, who reigned over the American Legion carnival, will leave Sunday with her mother, Mrs. E.C. Runge, aboard the Baltimore & Ohio's Limited for Washington, D.C.

Doors of the mammoth new Antioch Recreation bowling lanes, recently constructed on Rt. 173 west of Rt. 59, across from Smart's Country House, will be opened wide on Saturday afternoon for public inspection.

10 YEARS AGO: AUGUST 20, 1964

Next Saturday, Aug. 22, will be one of the biggest days Antioch has ever seen—Shrine Day. The two-hour parade and events following are in honor of William M. Weisenborn, Medinah's Potentate. Mr. Weisenborn and his family have been summer residents of Loon Lake for many years.

The latest Bureau of Public Roads breakdown of U.S. road mileage shows that 68 percent of Illinois' roads and streets are unpaved. Nationally two-thirds of all roads are unpaved.

Mrs. Ruby Holmquist of Rt. 2, Antioch, was recently commended for 20 years of Federal Service at Great Lakes Naval Training Center.

Federal Highway Use Tax Due

Chicago, Illinois — Owners of large trucks, truck-tractors, or buses in Northern Illinois are required to file a Federal highway use tax return, Form 2290, by September 3.

The tax is applicable to single unit trucks weighing 13,000 pounds or more, to truck-tractors, weighing 5,500 pounds or more, to trucks of 9,000 or

more pounds equipped for use in combinations, and to buses with gross weight of more than 26,000 pounds.

Further information on the proper filing of the Federal highway use tax returns is available at the Chicago IRS District Office. Ask for IRS Publication 349, "Federal Highway Use Tax."

County PTA Lunch Sept. 3

The Lake County PTA Council is holding a smorgasbord luncheon to benefit the Scholarship Fund of the Illinois Congress of Parents and Teachers. It will be held in the Community Room of the Lake County Savings and Loan Association in Grayslake at noon on Tuesday, September 3.

Reservations can be made in advance by calling the Council treasurer, Lorraine Scharlow at 587-0331. Donation for the luncheon will be \$1.50 per person. This money will be used to help offer scholarships to any area high school graduate who plans to enter the field of teaching or any position in a public school system which requires a certificate from the OSPI.

The Golden Jubilee Scholarship Fund was started as a State PTA project to celebrate its 50th

anniversary, and has been voted to continue by the ICPT annual convention body until 1977. Each year, in each of the 36 PTA Districts in Illinois, a \$1,000 scholarship is awarded to an applicant who has been carefully screened. The scholarship is based on merit alone, not on need as are so many other scholarships.

All that is considered is the desire and educational qualifications of the applicant, as well as his or her interest in working with and helping others. The only condition under which the scholarship is awarded is that the recipient be required to teach in the public schools of Illinois one semester for each year of the scholarship award.

The council hopes reservations will be made early. Since this is their first effort at this type of affair, deadline for reservations is Saturday, Aug. 31.

CHRISTIAN SCIENCE CHURCH

In the Bible Jesus proved that man is made in the image and likeness of God, his creator. This will be brought out at Churches of Christ, Scientist this Sunday in the Bible Lesson-Sermon entitled "Mind."

From Science and Health with Key to the Scriptures by Mary Baker Eddy this citation will be read: "God creates and governs the universe, including man. The universe is filled with spiritual ideas, which he evolves, and they are obedient to the Mind that makes them."

Services at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, Illinois begin at 11 a.m. The public is always invited, and care for children is provided.

ABC's of Travel

By BARB CORBIN

Amex-Holiday Inns Offer Aid! A joint program to provide travelers cheque customers with around-the-clock emergency refund service in the continental United States has been announced by American Express Company and Holiday Inns, Inc.

Under the agreement, the American Express customer can notify the company of lost

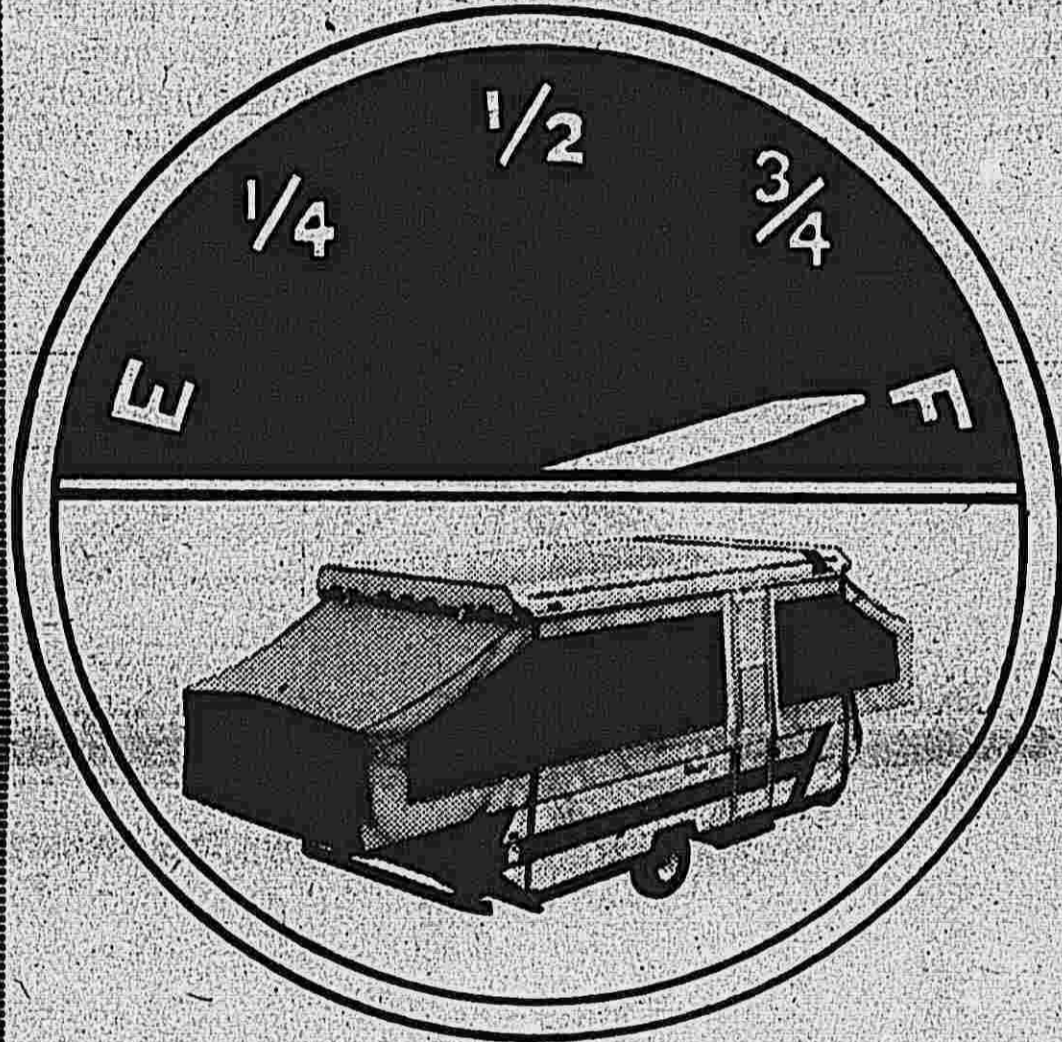

or stolen travelers cheques by a toll-free call and be directed to a Holiday Inn designated to provide emergency refunds of up to \$100 in travelers cheques. The balance of the loss, should it exceed \$100, can be obtained from the nearest American Express Company or representative office on the next business day.

This program is a joint effort of American Express and Holiday Inns, Inc., and is made possible through Holiday Inn's Holidex computer network which links all inns with the AMEX refund facility in New York City.

Next time you should lose your travelers cheques, don't be alarmed; just call a Holiday Inn 800 number and your problems will be solved within minutes. The Holiday Inn can be your best banker friend while away from home and in need of help.

Oldsmobile's Small-Car Emphasis Features the Starfire

LANSING, Mich. — Oldsmobile announced today that its 1975 model line-up includes 35 models with increased emphasis on the smaller car market.

Four new entries in Oldsmobile's small car line give the division the widest range of models and the broadest market coverage in the auto-maker's long history.

The nation's oldest existing manufacturer of automobiles now offers models with wheelbases ranging from the new small-size Starfire at 97 inches to the family size Ninety-Eight at 127 inches.

THE NEW MODELS will be on display in Antioch on Friday, Sept. 27, at John Teresi Chevrolet-Oldsmobile, along with the new Chevrolets and trucks.

"September will be our first anniversary at our new location, on Rte. 173, two blocks east of Hy. 83," Teresi pointed out. "It marks our first full year in our new facilities."

OLDSMOBILE'S STARFIRE is an all-new car and features comfortable 2+2 interior seating and sporty exterior design. It is available in one body style, a sport coupe.

The high-back front bucket seats are available with either soft velour or supple vinyl covering and are separated by a center console containing the transmission shift control and parking brake lever.

The rear seat back folds forward increasing the fully-carpeted load floor area that is accessible from the hatchback door. A collapsible spare tire is stored in the right rear quarter well, hidden from view by a soft trim tire cover.

The exterior of the Starfire features dual rectangular headlamps and dual horizontal grille openings in the flexible front end panel. This soft material surrounds both front and rear energy absorbing bumpers allowing them to be blended into the overall car design while

1975 OLDSMOBILE STARFIRE SPORTS COUPE

maintaining protection in minor impacts.

A 231-cubic-inch V-6 engine and four-speed synchromesh transmission are standard on the Starfire and a Turbo Hydramatic transmission is available.

The compact Omega series has been expanded to six models for 1975 with the addition of the Omega Salon available in the same three body styles as the base Omega — coupe, hatchback coupe and sedan.

All Omegas have received extensive body and chassis changes for improved appearance, passenger comfort and ride characteristics. Each model is built on a 111-inch wheelbase and is equipped with energy absorbing bumpers, front and rear.

The standard power plant is the 250-cubic-inch in-line six-cylinder engine featuring revised cylinder heads, combustion chambers and cast integral intake manifold for improved air-fuel distribution.

A new 260-cubic-inch V-8 engine with dual jet carburetor is available on all Omega models offering the smooth operating characteristics and durability of a V-8 engine with the economy of a small displacement engine.

Variable speed pulse wind-

shield wipers, power door locks, power windows, power trunk lid release and a headlamp-on reminder are all new accessories available on the Omega for the first time.

THE NINETY-EIGHT line-up includes a luxury Coupe, Luxury Sedan, Regency coupe and Regency sedan. The standard Ninety-Eight Sedan has been discontinued.

Ninety-Eight hardtop sedans have a small vertical window in the sail panel and the coupes feature a large trapezoidal fixed window behind the door lock pillar.

The Regency series continues to offer luxurious soft pillow seats covered in velour or soft vinyl. Center fold-down armrests are standard front and rear.

Two-way electric power seats, power windows, power steering and power brakes are standard on all Ninety-Eight models and the standard engine is the 455-cubic-inch four-barrel V-8 with Turbo-Hydra-matic transmission.

1975 OLDSMOBILE OMEGA SALON SEDAN

Legion Auxiliary Work Extensive

The American Legion Auxiliary has worked for the rehabilitation of the veterans of all wars and assistance to their immediate families, whether or not the veteran is an American Legion member.

The first full committee on Veterans Rehabilitation was formed in 1922. Today each Legion Post and Auxiliary Unit has a rehabilitation chairman.

This program is diversified into many areas, such as claims, information services and legislation. In the volunteer program of assistance the Auxiliary plays the leading roll. There are literally thousands of women in the Auxiliary who do volunteer work in the hospitals. Also, under the Field Service program, they assist veterans in shelter care homes and other institutions. There are also many women, who do not have the right to membership in the Auxiliary, who volunteer for hospital work under the sponsorship of a local unit of the Auxiliary.

THE CITIZENS of our communities help in the

rehabilitation program when the Legion Poppy is distributed each year. The money given by the general public is returned under the rehabilitation program for assistance to the veteran and his children.

This program was the first consideration of all units and posts throughout Illinois this past year. It includes a transportation fund, for a veteran to return home or for his family to travel to see him. Cash donations by the auxiliary units in the state amounted to \$43,103.

The cash donations to the Gifts for Hospitalized Veterans project reached \$5,812, while other gifts attained the \$11,000 mark. Special treats such as magazine and newspaper subscriptions amounted to \$410. For parties held in the hospitals the amount of gifts exceeded \$12,000.

Special gifts at Easter to 7,718 hospitalized men and women added to the above figures. In the community, Home Service Volunteers gave more than 97,000 hours on behalf of the veteran and his family. For

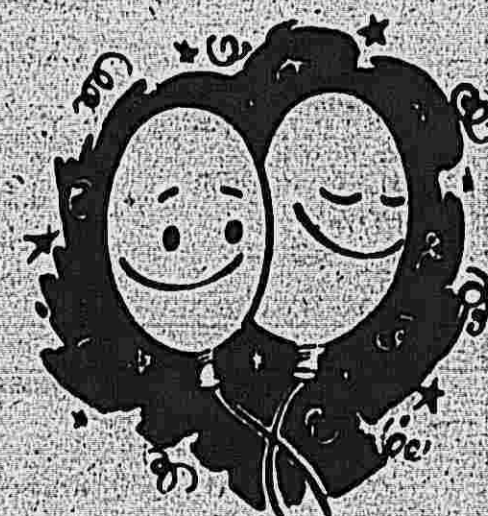

1975 OLDSMOBILE NINETY-EIGHT REGENCY

these veterans, more than \$17,000 was donated in special projects.

These figures represent only a part of the givings of the American Legion Auxiliary and the hours and hours of volunteer time donated cannot be measured.

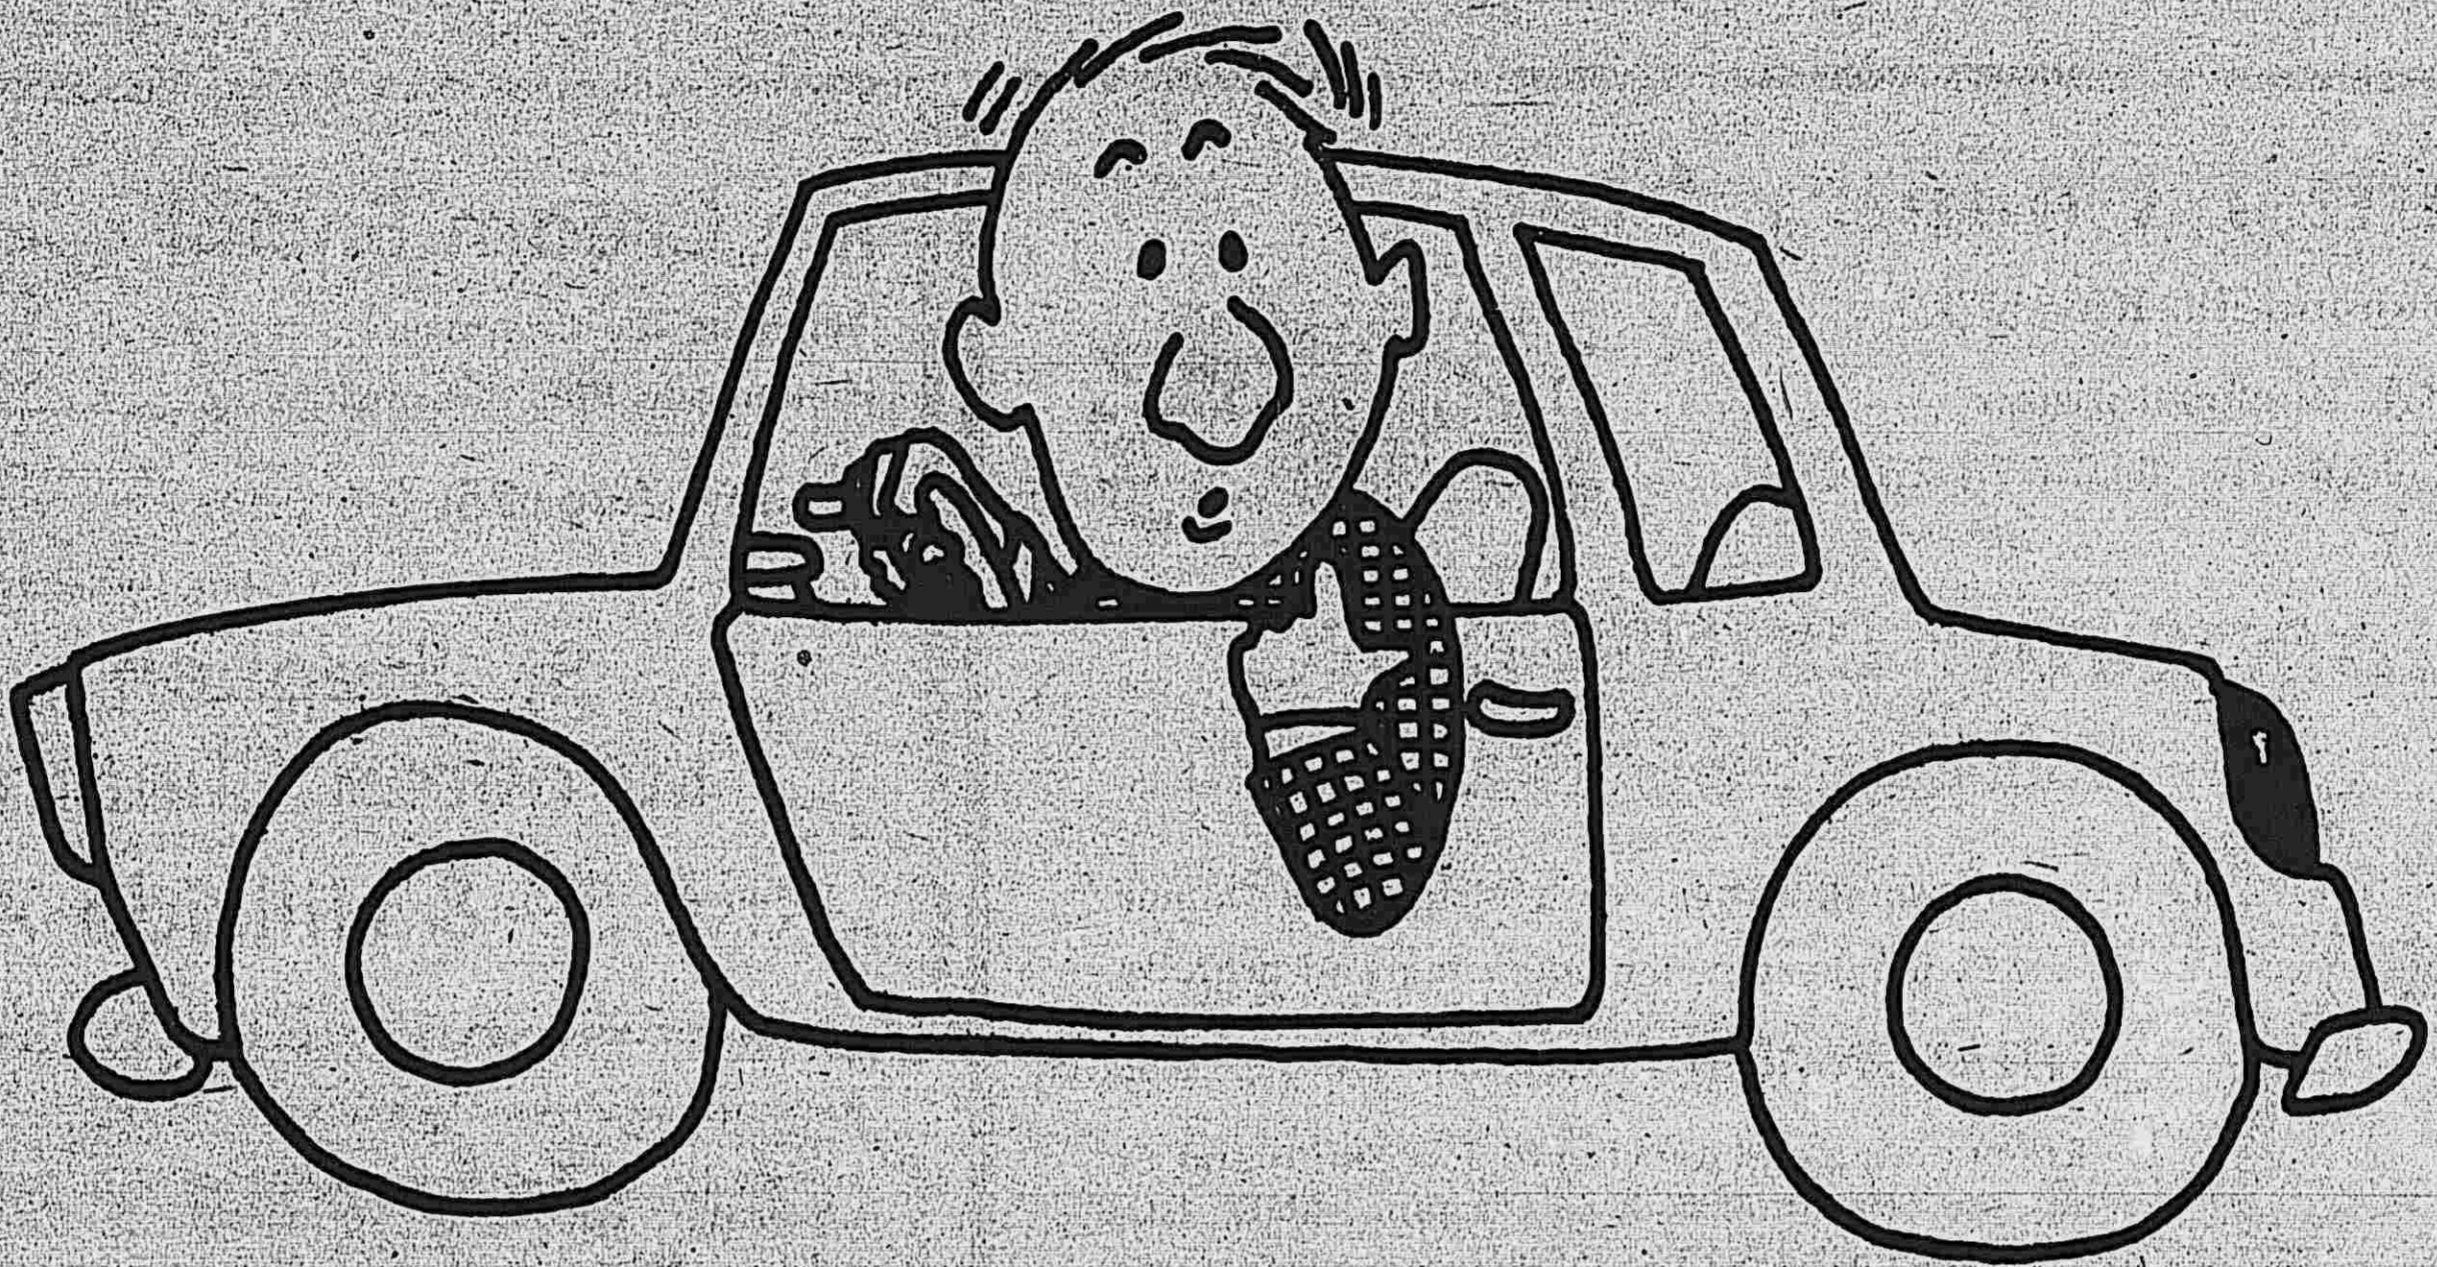

Multiply these figures over and over again by the other Auxiliary units in the 50 states, France, Italy, Panama, Mexico

and the Philippines, and the money and the hours donated are astronomical.

Polly - We Miss You.

The Truth

You May Be Driving the Down Payment on a New '74 Teresi Chevy or Olds!

Have you stopped to consider using your present car as a down payment on a new '74 Chevrolet or Oldsmobile? It just may be more valuable than you thought! And there's never been a better time to trade on a new car. The '75 cars will cost hundreds of dollars more than the '74s, have no significant styling changes and require no-lead fuel ... more costly than regular gasoline! Teresi now has the largest inventory of new '74 Chevrolets and Oldsmobiles in Lake County ... and we need your trade-in! Stop in and see if you're driving the down payment on YOUR new Chevrolet or Oldsmobile.

Howlett Pleas For Safe Driving

SPRINGFIELD - Secretary of State Michael J. Howlett has issued a plea to all Illinois clergyman to join in a campaign he hopes will reduce traffic fatalities over the Labor Day weekend.

He has asked ministers, priests, and rabbis to use whatever means available to emphasize to their congregations that safe driving is a

moral responsibility. He asked that they concentrate their efforts on the weekend of Aug. 25.

"Respect for human life is basic to all religions," said Howlett. "There is no better way to show that respect than through safe driving."

Last year, there were 50 fatalities over the Labor Day

weekend in Illinois.

The National Safety Council projects that 450 to 550 motorists will lose their lives on our nation's highways over the Labor Day weekend this year, from 6 p.m. Friday to midnight Monday. 559 motorists were killed over the Labor Day weekend last year in this country.

More Portable Classrooms For Oakland

A principal for Channel Lake school is still an undecided issue following last week's regular meeting of the Antioch Grade School Board. A discussion of the selection of a principal took place, but no action was taken.

The tentative budget for 1974-75 is now on public display and will be until the next regular Board meeting Sept. 10. Anyone desiring to check it may do so by calling the Upper Grade School.

Mr. Dick Kessler was present and spoke on behalf of the Park and Recreation Committee of Antioch. He offered assistance of whatever kind is needed by the district to speed up and develop recreational facilities at the Upper Grade School for

the youth of the community.

Two more portable classrooms are to be located at Oakland School, with installation planned for early in the school year. Possible uses for the rooms are band and small group instruction, and use for Sedol (special education) classes.

A contract for learning disabilities teacher Susan Kuzia for 1974-75 was approved, completing the staff of teachers for District 34.

The bid of Bert Peterson for 210 extra lockers for Upper Grade School was accepted as low bid. Also accepted was Latta and Son's bid for eight new cafeteria tables for Oakland.

Blood normally makes up about 1/13 of a person's total weight. A man weighing 155 pounds has about 12 pounds of blood, or 5 1/2 quarts.

The Faces of Evie

All about being four and a half

by EVALYN ROZEK

It seems to me that the perfect age for anyone to be is four-and-a-half.

Four-and-a-half is too big to take a nap, yet small enough to run crying for a kiss when he skins a knee.

Four-and-a-half is old enough to stay up late when company comes, but too young to go to that frightening place called school.

Four-and-a-half realizes he is the luckiest boy in the world. Though no one else notices it, his Father is ten feet tall and his Mother just happens to be the prettiest lady on earth.

When four-and-a-half cannot be found, one should look:

1. In his sandbox.

2. On his Big Wheel.

3. In the middle of the street in front of his house. (Sometimes, the older kids allow him to play ball. Four-and-a-half doesn't realize it, but they're using him for second base. The old one was a snapping turtle which was doing a pretty good job until someone ran over it with her car.)

Four-and-a-half's clothes have the aroma of fresh air and sunshine. But his hair smells like the setting for the movie "Lawrence of Arabia." Unfortunately, when four-and-a-half sits on his Grandmother's lap, his scalp comes just beneath her nose.

Four-and-a-half has a special vocabulary. "Popsie Cola" is what you drink when you can't get Coke or 7-Up. A "twink" is when you close one eye and try to keep the other open. The "flies" is what you have when you throw up at night and sit on the potty a lot.

And, next to the Packers, four-and-a-half's favorite football team is the "Purplesota Bikings."

Four-and-a-half is no dummy. From observing the automatic doors in the local supermarket, he has learned to spell the following words.

"In" is spelled I-N.

"Out" is T-U-O.

RECENTLY a friend of mine left her two-year-old son with me while she went to the hospital to have another baby. That's how I rediscovered just what a two-year-old is...

A two-year-old is someone who thinks ice cream should be served for breakfast each morning.

A two-year-old is someone who thinks that, if he runs fast enough, he will catch that robin.

A two-year-old is someone who stores his leftover popsicle in the kitchen cupboard.

A two-year-old is someone who cries because it's time to take a bath and then, 15 minutes later, cries because it's time to come out.

A two-year-old is someone who thinks that the toilet bowl is a wonderful place in which to wash his hands.

A two-year-old is someone who can't understand why he musn't take his tricycle to bed with him.

A two-year-old is someone who is confident that his Daddy knows how to retrieve helium-filled balloons from the wild blue yonder.

A two-year-old is someone who thinks that Church is a good place to show the world he possesses a navel.

A two-year-old is someone who gets spanked a dozen and kissed a hundred times a day.

Obituaries

MR. LE ROY J. PEDDICORD 76, of Lake George near Bristol, Wis. passed away on Monday, August 12, at Kenosha Memorial Hospital from injuries received in an automobile accident on Highway 45 and County Trunk "K" near Bristol that evening.

He was born Jan. 19, 1898 in Fairfield, Pennsylvania and had resided in Waukegan and Chicago, Illinois before moving to Lake George in 1941. He served in the U.S. Navy during W.W. No. 1 and holds membership in the Gurnee American Legion Post No. 771, Veterans of World War No. 1 post in Waukegan, Lake County Post of the 40 & 80 and the National Association of Retired Civil Employees. He was employed from 1941 until his retirement in 1963 at Great Lakes Naval Station as a Painter Foreman. He married Myrtle LaBond in 1927 at Crown Point, Indiana.

Survivors are his wife Myrtle, a half brother William Vacio (Waukegan), 1 nephew and 1 cousin.

Funeral services were held at 10:30 a.m. Friday at the Strang Funeral Home in Antioch. Rev. Phillip O. Laurin of St. Stephen Lutheran Church officiated. Interment was in Montrose Cemetery in Chicago.

NANCY E. HOUSTON

Is Anybody At Home?

The healing power of a spiritually enlightened concept of home will be explored in a public lecture in Antioch next Sunday, August 25th.

Miss Nancy E. Houston, C.S., a Christian Science lecturer from Urbana, Illinois, will be the speaker.

"Whether we live on wheels, whether we live in the suburbs, whether we're in a nursing home, a college dorm, in the ghetto," she will state, "in reality we take our concept of home with us wherever we go. So it's important for us to see just what our idea of home is, and the influence for good it can

Little League Popular and Successful Here

Antioch's Little League baseball program has been extremely successful and next year looks even better.

That was the report the Antioch Rotary Club heard last Thursday from Dick Kessler, an officer of the league.

"Approximately 400 boys were involved in the program

have had fantastic spectator participation," Kessler told the Rotarians at their meeting at the Brave Bull restaurant. "More and more parents are seeing the value of the program and turning out for the games. This was especially true of the girls' league, which really brought out enthusiastic cheering sections."

"When girls and boys are participating in a program like this, they aren't engaging in vandalism," Kessler said. "This gives them an outlet for their energies, so they feel they belong to something."

"Our limitation," he said, "is facilities. We sorely lack playing fields. The village is now trying to coordinate available facilities. And we have recommended that the hardball diamond at the high school have a skinned infield, so it can be adaptable to softball."

At the Little League park, he said, an overhang is needed for the backstop to control foul balls. This may cost \$300 to \$400.

Kessler said the Little Leagues subsidize themselves in Antioch. A pancake breakfast is one of the means. The sponsors, of which there are no shortage, buy the uniforms and catching equipment.

Kessler said the officers of the league, and the managers and coaches, aren't paid a cent. And they try to keep "adult

this year," Kessler said. That includes the minor league system for boys 8 to 11 years of age, and the Babe Ruth league for 13 to 15 year olds.

Also, a girls softball league for young ladies between the ages of 10 and 16 was started this year and Kessler called it "a howling success with tremendous participation. The number of girls may double next year."

"In the past three years we

HERE THEY ARE! -- The Giants, the 1974 Antioch Little League champions. Front row from left: Jerry Mahoney, John Jacobson, Bill Witek, Tom Green, Steve Sheedlo and Rick Ranney. Second row from left: Coach Don Buckmaster, Keith Wagner, Jim Wilson, Scott Schroeder, Mike Ksioszk, Jim Gamber and Manager Ron Sheedlo. Not present when picture was taken: Chris Shepherd, Gerry Shepherd, Bill Buckmaster, Jim Schlarbaum and Coach Mike Ranney.

pressure" off the players.

"We assure participation," he said. "Each boy gets a chance to play on both offense and defense in every game."

Kessler said Antioch's Little League program has three main goals: to have fun, to transfer baseball knowledge and experience to the boys, and teach them sportsmanship and citizenship.

Drivers Vie For Championship At Waukegan

Chicago's Bob Roper won Sunday night's 30-lap late model super stock car features race at Waukegan Speedway and took over the championship point lead from Dave Evans, who finished fourth.

The final point standings will be determined with the 50-lap Carling's Black Label race on

Sunday night, Sept. 1. Currently Roper, Evans or Bob Dotter stand good chances of winning the 1974 championship. Following that race, the late models will race on Saturday nights only through September.

Next Sunday there will be a powder puff derby for the ladies in hobby cars and then in two weeks, Sept. 1, the super stocks will run in the 50-lap championship race. A dance band will be included in the trophy presentations which will follow the races that night.

Roper is opening up a commanding lead in the Chicagoland Driving Championship (CDC) on the strength of his two feature wins at area tracks over the weekend.

Friday night, Grundy County Speedway near Morris had two feature races, due to a previous rain-delay, with Tom Musgrave and Tom Jones winning those races.

Roper, who had his share of problems Friday, came back to win Saturday night at the Illiana Motor Speedway and repeated the win Sunday night at Waukegan. He now has 203-CDC points compared to 131 points for runner-up Evans.

Antioch Team Now 2nd in Slowpitch

The hottest thing in the Interstate Classic softball league is the Antioch State Bank team.

Riding the crest of a four-game winning streak, Antioch now stands second in

the highly-rated league with an 8-3 record.

The nationally-famous Tirabassi team of Kenosha is first with 9-2.

Last Wednesday, Antioch beat Racine Auto Wash 8-5,

knocking that team out of second place.

Three weeks remain to be played. If the Antioch club can knock off Tirabassi's and win the title it will be the talk of the slowpitch softball world.

Pipe and Wrench Golf Meet

Golfers participating in the fifth annual Pipe and Wrench Invitational Friday, Aug. 23, at

Midlane Country Club, Wadsworth, will be shooting for a \$1,000 cash prize for a

hole-in-one on a designated hole. The outing is sponsored by Plumbing & Heating Contractors Association.

Races at Wilmot

WILMOT, Wis. - Ron Bergsma of Richmond, Ill., won his first feature of the season Saturday night in the IRA Super Modified feature at Kenosha County Speedway.

Tom Barker won his first career feature in the sportsman cars.

In the modified feature, Bergsma took advantage of the pole position to take the win, with Whitey Harris and Dick Colburn battling for second and third.

Local driver Monty Lowery of Antioch injured his knee in the sportsman semi. He was taken

to Burlington Hospital for a checkup after the accident at the start of the race.

This Saturday, the Wilmot track will feature a sportsman twin 35-lap feature race and WMIR Radio Night.

In last Saturday's racing, Dan Webster of Antioch was second in the Supers semi-feature and Don Collins of Lake Villa won the sportsman semi.

All-Star Games Set

Top players from the Antioch girls' softball league are scheduled to compete against their counterparts from Round Lake Sunday, Aug. 25, in an all-star game at the Little League diamond.

Two games are planned: a minor league (girls ages 9-11) game at 1 p.m. and a major league (ages 12-14) match at 3 p.m.

The coaches of the ten Antioch teams chose two girls for each of the two teams to represent them. Coaches for the minor league team are Judy Gossman and Mr. and Mrs. Rich Byrne. The major league team will be under the coaching of Pam Friedrich, Barb Bailey and Sue Sedivec.

A picnic, swimming and lots of other fun will follow the all-star games at the Aqua Center for all of the team members and coaches.

The Town Crier

Hear ye!

I met a real old-timer the other day, a fellow about 85 years old. He shrugged and said:

"If I had known I was going to live this long, I would have taken better care of my body."

I COULDN'T believe it. I stopped in at Reeves Drug Store, had toast and coffee and bought a friend a cup of coffee.

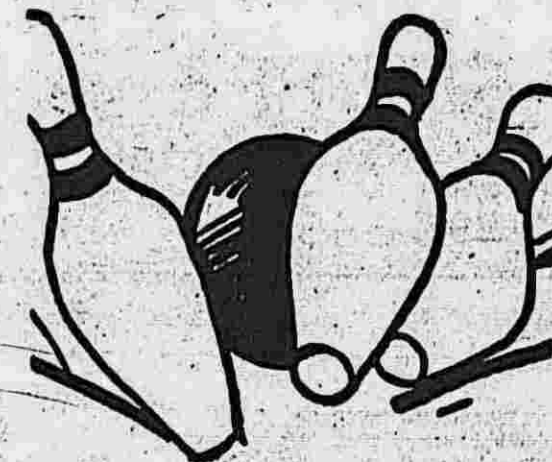

The bill was only 21 cents. A nickel for a cup of coffee and 10 cents for toast.

That's like something out of the past, isn't it? Right here in Antioch.

AN ADULT is a person who believes that while young people may be bigger and stronger than he is, he's smarter.

Nowadays one of the chief problems is trying to work in a little sick leave between two three-day weekends.

I SAW YOUR CAR the other day and it's really dirty. Clip the coupon on page 8 and you can get a wash job for half-price at the H&M Car Wash.

BOWLING

Registration for the Young Adult and Childrens bowling leagues at the Antioch Bowling Lanes is now open. The season begins September 14. Bowling instructions, trophies, tournament and banquet are all part of the season. Shirts are also provided. Registrants must be between the ages of 8 and 18 and in school.

BE WISE: ADVERTISE

Formerly Antioch Car Wash, the business is now being managed by Mike Mezzano. It's just south of Antioch High School, and Mike does a super job in his "Complete Car Care Clinic."

As I tried to tell you last week, only to have a typographical error get in the way: As we refine our language, it's becoming much easier to communicate. Years ago we didn't have a handy word like "yukky" to describe the way we feel.

Retirement is when you look at the calendar more often than your watch.

I'm going golfing Wednesday with Irv Carey. I hear he's one of the best putters in town, so I'm bringing along some extra money which I'll probably lose.

Maybe I should play him for his Notre Dame football tickets.

Hear ye!

TIME WAS..

when average life expectancy was 22 yrs.

Back in the days of the Roman Empire, people only lived a short time. Today in the United States, life expectancy is 70 years!

COMMENTS...

Continued from page 4

western and 27 percent of the southern suburbanites.

However, fewer northern suburban respondents (47 percent) said their family incomes were greater than a year ago. For the western suburbs, the response was 51 percent, and 48 percent for their southern suburbs.

When asked about present business conditions in the Chicago area, 13 percent of those surveyed in the northern suburbs said conditions were better than a year ago, compared with 8 percent

in the western suburbs, and only 6 percent in the southern suburbs.

A greater portion of northern suburbanites (23 percent) also said business conditions will improve in the coming year, compared with 22 percent for the western suburbs, and 19 percent for their southern suburbs.

RONALD J. HALPERN - Special Education. Ron has two years experience. He graduated from the University of Illinois and received his M.A. from North Eastern University. He is married and is assigned to A.C.H.S. by Special Education District of Lake County.

USDA Has School Kitchen Guide

CHICAGO—Schools can get expert help in planning new kitchens or in remodeling or equipping old ones from a new "Equipment Guide for On-Site School Kitchens," published by the U.S. Department of Agriculture (USDA).

Now, instead of relying solely on casual recommendations or on personal experience, schools' equipment buyers can use the guide to draw on the expertise of food service systems specialists from USDA's Food and Nutrition Service (FNS).

FNS developed the guide to help schools select the type,

size, and quantity of equipment needed to prepare between 100 and 1,500 Type A school lunches a day. Recommendations are for the minimum equipment needed to run an efficient, economical school lunch program. Equipment manufacturers provided valuable technical assistance in making the guide comprehensive and up to date. Many of the concepts are new to school food service — involving equipment ranging from central steam sources to tray washes that are almost entirely automatic.

The book will be distributed by the Regional Offices and

state educational agencies to school food authorities. Others can buy the "Equipment Guide for On-Site School Kitchens" (PA-1091) for \$1.95 from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.

In England, the left eye of the hedgehog fried in oil was a remedy for insomnia in the 17th century.

It was once believed that seeds from trees fell into small crevices on an alligator's scales, and took root so that he resembles a small island!

2 Mundelein Youths Arrested

Two Mundelein youths, an 18 year-old driver and his 17 year-old passenger, were arrested in Antioch Thursday and charged with open transportation of alcohol and possession of marijuana.

Officer George Gialds was parked in front of the police station at 11:45 p.m. when a car passed, travelling south on Main St. The driver took a drink from a can of malt liquor as the car passed the station, no more than 9 feet away, the officer said.

The two were stopped at Park and Main and a strong odor of beer was evident, police said. A bag with 3 cans of malt liquor was found in the back seat, the report said.

In the process of looking for the two missing cans, Gialds said he found a small plastic bag in the glove compartment with less than 2.5 grams of a green vegetable-like substance.

The driver was placed under arrest for open transportation of alcoholic liquor, with a Sept. 13 court date set. Both he and the other youth were charged with possession and/or use of cannabis. An arraignment on the second charge is scheduled for Aug. 27.

After their rights were given, the car was towed to a service station for safekeeping. The driver had the money to bond himself out of jail, but decided that, since he had never been to jail, he would go because he "wanted a new experience," police said.

Illinois GOP

Continued from page 1

the goal will be accomplished," he added.

The convention adopted a new platform for 1974 which Murphy described as a "rather general summation of many elements of belief without any real specifics."

He said, "I would like to have had more positive positions on such things as busing, spending, the right to own or bear firearms, and more stress on individuals' freedom and constitutional rights."

"However, an air of confidence and a new relaxed feeling was very noticeable. The theme was 'Let's get on with the work. Happy days are here again.'"

Lindenhurst News

By SANDI CHRISTMAN

Anyone 16 or over interested in going along with the group this month, or on a regular basis, is welcome.

CALLING ALL fishermen (and women) of the younger set! The Lindenhurst Men's Club is sponsoring a fishing derby on Sunday. The derby will be conducted on Lake Linden at the corner of Sprucewood and Witchwood between the hours of 1 and 4 p.m. Any village youth 14 or under is eligible. Prizes as well as door prizes will be awarded with every contestant a winner.

Registration will be at the derby so be sure and be there.

ONCE AGAIN a group of Lindenhurst youth have come through for a national charitable organization.

On Aug. 7 a group of village youth held a Muscular Dystrophy Carnival at 66 Brook Lane between 1 and 5:30 p.m. A variety of games were offered, including a "pick the lucky duck game," the balloon-dart game,

and mini bike rides for 10c.

The kids also held a small rummage sale and talent show, collecting a total of \$70 for the Muscular Dystrophy organization. Refreshments were available and all who attended certainly got their money's worth.

Congratulations on a job well done to Terry Kempfer, Todd Knuth, Sandy Janski, Kim Kempfer, Michelle Petrinec, Ingrid Jurgenson and Tammy Knuth.

IF IN DOUBT as to what this fall and winter's wardrobe should look like, you'll be interested to know that the Lindenhurst Women's Club is hard at work finalizing plans for its fashion show to be held on Thursday, Sept. 19. The fashion show will be at the Lindenhurst Civic Center and will feature clothing from J.C. Penney's. Admission will be \$1.50 per person and will start at 8 p.m. One of the highlights of the show

will be men's fashions in addition to door prizes and a raffle. Refreshments will consist of wine, cheese and crackers. Sounds like an event no one in or out of the village will want to miss!

MR. VIC SCHAEFER attended the Aug. 12 village board meeting as a representative for the Lindenhurst Water Company in response for a request from the village board.

The board's request was in regard to lack of water pressure experienced in the village over a weekend in July. Mr. Schaefer advised the board that the water company felt there was no reason for an emergency number for residents to call because the village and police have three numbers to call from the company. Quite a bit of discussion on the water followed without any further action taken or planned.

THE BOARD also moved to grant the Citizen's Recreation Committee police protection

and blockage of a village street for the committee's proposed street dance on Friday, Sept. 13. The dance would be open to all village residents and would be free. Evidently the committee is not superstitious.

Could the village be getting some multiple-family dwellings in the future? Word has it that there is a good chance the village will be receiving a request for rezoning within the next two to three weeks for property across Grass Lake Road.

Due to the heavy rainfall last Friday, Lindenhurst's Jr. Olympic's Day was cancelled. The rain date is this Saturday at B.J. Hooper Grade School. The same schedule is in effect and anyone still interested in signing up may call Mrs. Rose Mohr at 356-7406 by Thursday, August 22. The general public is welcome to come and watch.

The next meeting of the "Lake County Spirit of 76 Committee" will be this

Wednesday, August 21 at 8:00 p.m. at the First National Bank of Libertyville. The general meeting is open to anyone interested in working with the committee in organizing and coordinating dates for festivities celebrating our nation's bi-centennial year throughout the county.

Welcome back to Mrs. Erika Danaj and son Mark who just returned from a week's visit with Mrs. Danaj's daughter in Louisiana after a two year time span. Hope you had a nice time!

Congratulations to Ann Mont-rimas on her ninth birthday, Sunday, August 18th. Anne celebrated her birthday by having a slumber party with seven of her friends.

The Lindenhurst Women's Club has been visiting the medical wards at Great Lakes Naval Base for quite some time on a once-a-month basis. The next visit will be tonight leaving Lindenhurst Civic Center at 6:30 p.m.
